DATE PLANNER

- Abstracts Submission deadline - 15th Nov 2024
- Notification for Acceptance/Rejection - 20th Nov 2024
- Registration and submission of full length paper - 15th Dec 2024
- Submission of revised papers & Submission of Presentation material - 20th Dec 2024
- Conference dates - 03rd & 04th Jan 2025

Theme: Net Zero

The "Net Zero" initiative aims to transform all the campuses & urban spaces into living laboratories for Sustainable Development Goals (SDGs) and carbon neutrality, aligning with India's commitment to achieve Net Zero carbon emissions by 2070, as announced by PM Narendra Modi at COP26.

This concept note emphasizes the urgent need for carbon neutrality to combat climate change and mitigate global warming, leveraging the pandemic recovery as an opportunity for sustainable transformation. For example, by turning micro & macro spaces into practical hubs for sustainability campuses; like Government, Universities, Corporates & Urban spaces etc., can prepare citizens, students & human resources for a sustainable future and significantly contribute to national and global carbon neutrality goals.

Key strategies include monitoring and reducing emissions, supporting AI technologies, and participating in a global affiliation for carbon neutrality by immediate efforts, thereby fostering environmentally conscious thought processes and driving socio-economic benefits for sustainable development.

The "Net Zero" initiative aligns with the 17 United Nations Sustainable Development Goals (SDGs) by transforming livable spaces into sustainability hubs.

The 17 Sustainable Development Goals (SDGs) to transform our world:

GOAL 1: No Poverty

GOAL 2: Zero Hunger

GOAL 3: Good Health and Well-being

GOAL 4: Quality Education

GOAL 5: Gender Equality

GOAL 6: Clean Water and Sanitation

GOAL 7: Affordable and Clean Energy

GOAL 8: Decent Work and Economic Growth

GOAL 9: Industry, Innovation and Infrastructure

GOAL 10: Reduced Inequality

GOAL 11: Sustainable Cities and Communities

GOAL 12: Responsible Consumption and Production

GOAL 13: Climate Action

GOAL 14: Life Below Water

GOAL 15: Life on Land

GOAL 16: Peace and Justice Strong Institutions

GOAL 17: Partnerships to achieve the Goal.

By fostering innovation, equitable access, and environmental stewardship, this initiative not only supports global climate goals but also prepares students to lead in creating a sustainable and equitable future.

Aim –

ICISDG is aiming at illustrating the potential of research communities for achieving the Sustainable Development Goals which were declared by the United Nations in 2015 as binding for 193+ nations globally addressing underdeveloped, developing and developed countries.

Objective -

ICISDG theme parleys about how research community must and can play a significant role through the SDGs which should be achieved as projected in 2030 through theme "Net Zero".

ICISDG proposes to give an overview of some of the existing efforts along with innovative resolutions, ideas and research in this area and its written post conference proceeding report as an appeal to professionals, scientists and government organizations globally to take a holistic approach on the derived data through open and free access of archives in International Journal On Introspection of Sustainable Development Goals www.vijayalaxmi.shilpasagar.com

ICISDG activity desires to monitor and generate the effects of research work on the SDGs by research community until now and update it in report format and proceedings. ICISDG will be definitely an enabler to identify more efficient resource handling, edification, societal framework and business operations reinforcing economy which is critical success factor for achieving the SDGs. ICISDG is an ideal opportunity for the young professionals to voice their views, offering fresh perspective & join the worldwide movement of ensuring Sustainable Future by bridging the gap with the policy makers, academicians and professionals.

Publication opportunities in Peer-reviewed conference proceedings with ISBN & selected few in ISSN IJISDG journal.

About –

Vijayalaxmi Charitable Trust, to create personalities and wisdom through providing research and knowledge venturing platforms for global aspirants.

Vision –

To provide sustainable solutions for challenges faced in Society, Academia & Profession & generate opportunities globally.

Mission -

Sustainability for us will not only focus on social, economic & environmental concern but we tend to create innovation through education for generations to come. Our motive is to create a self-content world and make available such circumstances through educational revolution that there will be no preservation of planet needed and lifestyle itself will be part of environment.

Organizing Committee-

- Ar. Ravindra Sarnaik (Founder Principal Shilpa Sagar Academy, PhD Scholar, Former BOS Member DBATU, Gov. of Maharashtra, Former Resource Speaker SIUD)
- Ar. Mohan Nikam (Former Director SBPCOA, Former BOS Member DBATU, Govt. of Maharashtra)
- Ar. Prashant Deshmukh (Founder and CEO PDA, Former BOS Chairman DBATU, Govt. of Maharashtra)
- Mr. Khushwinder Singh (Chairman World Environment Forum, Madagascar)
- Prof. Mahesh Bangad - Associate Professor at BNCA, Chairman AESA & EC Member at IIA Pune Centre
- Mr. Sunil Gatade (Chairman KVLS, Vice Chairman MVS Pune, Founder Member Gatade and Pawar Associates)

INTERNATIONAL CONFERENCE ON INTROSPECTION OF SUSTAINABLE DEVELOPMENT GOALS

UNITE TO ACT

Introduction to ICISDG2024 Event Overview: 4th Multidisciplinary ICISDG 2024 Theme Net Zero, Publication opportunities in Peer-reviewed conference proceedings with ISBN selected few in ISSN IJISDG Journal Pegates can seek following support to our Incubated Star

Organizers: Theme ICISDG2024 and MOU Universities, Institutions, Incubation Centers and State/National/International Organisations.

Objective: Raise awareness about United Nations Sustainable Development Goals.

Lecturers: Esteemed National International faculties and Professionals.

Participation Format: Remote centers across the countries. Live lectures and interactive sessions via internet.

Coordination: Faculty coordinators at each remote center to manage technology and logistics.

These contents can be freely used later by all teachers and students @ www.vijayalaxmi.shilpasagar.com

The aim of this ICISDG is to educate up to a 1000 people about United Nations Sustainable Development Goals, Intel sat 15 remote centers across India & Globe. The organizers encourage participants to interact with the instructor of the topic of their interest to be able to fully appreciate the nuances of net zero and be prepared with precise questions during the interaction sessions.

The ICISDG offers a unique opportunity for young professionals to share their perspectives and join the global movement towards a sustainable future of startups. By bridging the gap with policymakers, academics, and industry professionals, participants can make a meaningful impact through Incubation facility to use this platform for launchpad of startups.

Who may benefit

This initiative is particularly relevant for students, architects, engineers, planners, architectural technologists, designers, environmentalists, social scientists, economists, and researchers engaged with the United Nations Sustainable Development Goals (SDGs), supported by the Council of Architecture and various organizations.
